- The goal is not to finish this course but to have a life-transforming encounter with God
- Look to see what God says and how He works in the Scriptures. Make your decisions and evaluate your experiences based on biblical truths.
- The proper question is, "What is God's will?"
- Watch to see where God is working and join Him!
- To be God's servant, you must be moldable and remain in the Hand of the Master.
- "Don't just do something. Stand there!"
- "The world has yet to see what God can do with and for and through and in a man who is fully and wholly consecrated to Him."
- When you believe nothing significant can happen through you, you have said more about your belief in God than you have declared about yourself.
