Unit 10: God's Will and the Church

“IN CHRIST WE WHO ARE MANY FORM ONE BODY, AND EACH MEMBER BELONGS TO ALL THE OTHERS.”

ROMANS 12:5

- 1 – No one individual has the total vision for God's will for a local church.
- 1– Sharing what God is doing in my life may help someone else encounter God in a meaningful way.
- 2 A church comes to know God's will when the whole body understands what Christ – the Head – is telling it. Every believer has direct access to God.
- 2– Individual opinions are not that important. God's will is crucial.
- 2 – A church must learn to function as a body with Christ as the Head of His church. A church must wait on God's timing.
- 3– A spiritual gift is a manifestation of the Holy Spirit at work in and through a person's life for the common good of the body of Christ. The Spirit decides whom to give assignments and enables spiritual leaders and members to accomplish His work.
- 3 – God puts spiritual leaders and members in the body where He wants them to be. Members of the body should have equal concern for one another.
- 4 – Godlike love ought to prevail in the body. Each member is precious to God.
- 4 – I understand God's will for my church when I listen to the whole body express what it is experiencing in the life of that body.
- 5 – Right relationships with God are far more important than buildings, budgets, programs, methods, church personnel, size, or anything else.
- 5 – God doesn't add members to the body accidentally. I will pay close attention to the people God adds.
