EXPERIENCING GOD BIBLE STUDY

Unit 12: Experiencing God in Your Daily Life

Daily Capstones

1 – *Return to God, and He will forgive you and reestablish your fellowship with Him.*

2 – *If God has given you a life partner, you will want to be involved in the great work God intends to do in his or her life.*

3 – *Our greatest single contribution to God's Kingdom is teaching our children to watch to see where God is at work around them and then join Him.*

4 – *Why was so much of God's activity accomplished in the marketplace? Because that is where people lived throughout the week.*

5 – *This course should be only the starting point for a whole new adventure in following Christ daily.*

Principles

- Once couples came to understand God's purpose for their marriages, they discovered a new and exciting dimension to their lives together.
- God's eternal purpose for each of your children is that they be conformed to the image of Christ.
- I wanted my kids to learn to put their trust in God, not in their parents.
- Church on Sunday provides an opportunity for the saints to be equipped for their mission work throughout the week at their job sites.
- I believe churches ought to have commissioning services for those who go into the marketplace every Monday morning in the same way we pray over missionaries who travel to other countries to share the gospel.
- There are no substitutes for obedience.

EXPERIENCING GOD

Unit 12: Experiencing God in Your Daily Life

“LET US CONSIDER
HOW WE MAY SPUR
ONE ANOTHER ON
TOWARD LOVE AND
GOOD DEEDS. LET US
NOT GIVE UP MEETING
TOGETHER AS SOME
ARE IN THE HABIT OF
DOING, BUT LET US
ENCOURAGE ONE
ANOTHER — AND ALL
THE MORE AS YOU SEE
THE DAY
APPROACHING.”
